SINGAPORE IMMERSION PROGRAM 2026

Leading for the Future:
The Power of Collaboration, Self-Leadership & Creative Thinking

Same Student. A More Global You.

PROGRAM HIGHLIGHTS

- Interactive academic sessions & workshops
- Leadership, collaboration & creative thinking
- Real-world perspectives in a global setting
- Experiential learning & industry-relevant insights
- Certificate of Participation

SINGAPORE FUN FACTS!

- One of the world's most innovative cities
- Home to over 7,000 multinational companies
- A global hub for education, business and technology
- Cleanest city in the world (multiple times!)
- A melting pot of cultures – four major ethnic communities in one city

Small country. Big opportunities!

ACADEMIC MODULES

01 Self-Leadership: Making Things Happen, Getting Things Done

Build discipline, take ownership and develop the confidence to lead yourself.

02 Creative Thinking

Look at challenges differently, develop innovative solutions and strengthen your problem-solving skills.

03 The Power of Collaboration in Student Success

Learn to work across cultures, communicate effectively and achieve more together.
