GLOBAL IMMERSION PROGRAM

THINKGLOBAL: IMMERSION FOR IMPACT

A transformative journey which combines the rigor of academics with the inspiration of cultural exploration — broadening horizons and empowering future global leaders.

Where AI meets business innovation

– offering participants a unique opportunity to explore how emerging technologies transform industries worldwide, such as: AI Foundations, Business Integration, Hands-on Labs, Global Perspectives, Industry Immersion, Capstone Challenge and Leadership & Networking

Interactive Lecture Workshops

Our curriculum combines the latest trendy topics, ensuring a well-rounded education. Classes will be interactive and requires students' participation and presentations

Global Enterprise Experience

An insightful way of showcasing more than just a state-of-the-art production facility – it will be an inside look into the future of innovation, sustainability, and social impact.

Thai Cultural Insight Expeditions

A cornerstone that fosters empathy, adaptability, and global competence. Cross-Cultural Understanding Networking & Collaboration. Personal Growth & Empathy
