THOUGHT LEADERSHIP LECTURE SERIES

In line with its vision of transforming its constituents, Jaipuria Institute of Management, Jaipur has taken a novel initiative of a Thought Leadership Lecture Series in the city of Jaipur with an objective of bringing in path breaking and transformational thoughts and ideas for the benefit of the society in the region and the state.

Thought leaders bring forth ideas which are radically different from traditional ideas and are thoughts which form the basis for innovative change and also mentor futuristic ideas. They demonstrate confidence to promote or share ideas which are distilled insights and are actionable.

The Lecture Series shall be a platform for a broader way of sharing experiences providing and invaluable learning for the leaders of governance & industry and practicing managers of today & future managers of tomorrow.

INVITED SPEAKERS

Speakers gracing the Thought leader Series shall be of great eminence with their proven contribution towards varied dimensions in society, governance and policymaking, industry and business and students.

The Lecture Series shall also bring in together in audience the top echelons of policy makers from the government and corporate, academicians, research scholars, industry leaders and all those interested in bringing in positive change to the society.

PARTICIPATION

Participation in Jaipuria Jaipur Thought Leadership Lecture Series is by invitation and shall encourage leaders and representatives of government, policy makers, industry and corporate, academia, researchers and more importantly youth, the catalyst for change. There is no Registration Fee.

LECTURE SERIES WILL BE SCHEDULED EVERY MONTH (generally on Last Friday from 5:00 pm onwards)
