Jaipuria Institute of Management gears up to host Punarsangam 2016

Jaipuria Institute of Management will host its 5th “All Campus” Alumni Meet, Punarsangam 2016 on the 23rd of January. The event is being held at the India Habitat Centre in New Delhi, and it will bring together illustrious alum of the renowned B School from different parts of the country. Such is the magnitude of the event. The affection that the alumni have for their beloved institute is clear, and they are coming not only from India, but also from all over the world to attend this event. The response has been heartening this year, which makes it a highly anticipated event for everyone involved with the institute.

Punarsangam, the alumni meet, brings together accomplished ambassadors of the institute from its Lucknow, Noida, Jaipur and Indore campuses. They look forward to the evening where they can interact with their faculty members and contemporaries, as well as the future managers being moulded at the institute. It’s also an opportunity for them to share their success stories and ideas that can help the learning experience at their institute. Above all, it’s a homecoming for many of these corporate professionals, and the organizers have left no stone unturned to make sure that it will be a night to remember for a long time.

Directors and faculty members from across the campuses will grace the occasion, making it truly special. The proceedings for the evening will begin with the registration at the venue between 6.30 to 7.30 pm. Alumni can make their presence felt at Punarsangam 2016 with their spouses, which will go on to create a warm, close-knit family-like environment. The alumni meets organized by the institute have been marked by high-energy performances – this year will be no different. A traditional welcome dance has been put together for the organizers and it will set the tone for the evening that has a lot in store for the guests.

Since the inception of the Lucknow campus in 1995, the institute has remained focused on creating successful managers and leaders. Punarsangam 2016 will have alumni from the first to the latest batch, and they will share their stories and showcase their achievements on the platform created for them. If their success stories aren’t music enough to one’s ears, then the event will move on to a musical concert that can set the perfect ambience for the rest of the evening. The event concludes with a networking dinner and cocktail as the alumni interact with each other, their faculty members and reminiscence about the time of their lives.

Is this the best way for this to be written?

Online in other spots it is written: “All campus” alumni meet.
