

FEEDBACK

Academic Year 2019-20

At Jaipuria Institute of Management we regularly take feedback on the contents, pedagogy as well as faculty delivery styles in the courses taught each trimester. The feedback is compiled analyzed and then submitted to Director of the institute with a copy to each faculty. The Director then discusses it with the faculty, as desired. Similar feedback mechanism exists for the other facilities availed by the students in the campus and hostel. The feedback is quite appreciative from the student community and their suggestions are incorporated.

We also have feedback from the recruiters who visit the campus as well as guest faculty. Their feedback is incorporated while designing the curriculum as well as general grooming and training purposes. The feedback is also received from the parents at different platforms and they are incorporated as desired. Alumni also contribute their share of feedback for the general growth of the institute which is welcomed and acknowledged at different platforms.

We also are sensitive to the expectations of the parents as they hand their ward to this B-school across different programmes. It is our endeavour to keep up the promise that they receive at the time of admission of their ward and a feedback is taken on a survey questionnaire at the conclusion of the programme during the convocation ceremony. We are quite happy to share the feedback collected on various parameters from Parents of Graduating Students. Across all parameters rating has been ranging between 'Good' to 'Excellent' which is a matter of greater satisfaction for all of us.

The Questionnaire sample is as follows:

Dear Student,

It has been a pleasure to have you at our campus. During your stay, I hope that you must have had many new experiences and faced varied challenges that are part of management education.

We look forward to getting your feedback on your experience so far, so that we can

further calibrate our efforts to create a better learning environment for you.
