Dr Pratibha wasan ma'am is one of the finest teacher i have seen. she made finance so easy for me. from the beginning i was very afraid of finance but she changed my mind by her way of giving education. Thank you so much ma'am.
ma'am is very interactive and explain everything very well, her teaching style is very unique and it help us to improve our skills
everything
The way ma'am explained every concept actually has made finance to be no longer the toughest subject. No one would have explained finance any better than ma'am.
A+++++
Thankyou ma'am..! Your every class was very interesting and it did not felt like i m studying the hardest subject that i used to think but by your teaching approach it changed my mind, yes it is easy and interesting.. :)
the fascinating knowledge of share market
