NURTURED BY RESEARCH NOURISHED BY STALWARTS & ACADEMICIANS

The Fellow Programme in Management (FPM) is an esteemed doctoral-level program approved by AICTE, designed to cultivate scholars into future leaders in academia and industry. It offers a rigorous curriculum combining advanced coursework, research, and practical experience. Guided by renowned faculty, students explore specialized management areas, honing critical thinking and leadership abilities. Through rigorous research and industry partnerships, FPM scholars make significant contributions to academia and industry, tackling contemporary challenges and catalyzing positive transformations.

AREA OF RESEARCH SPECIALIZATIONS

Marketing

Information Systems Management

Finance

Decision Sciences and Business Analytics

**Human Resources Management
and Organizational Behaviour**

General Management and Strategy

Operations Management

Economics and Public Policy

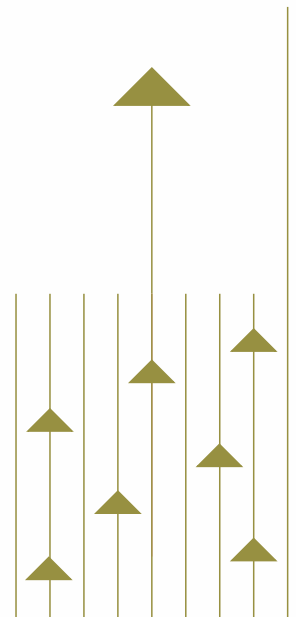

DURATION

Minimum duration for FPM Programme shall be 4 Years (2 years after course work completion) and the maximum period 5 Years. The duration will count from the date of enrolment to the date of submission of the FPM Thesis.

Under exceptional circumstances, to the satisfaction of the FPM council, a candidate (especially women or disabled) may be granted extension as per the policies of institute, governed by FPM policies of AICTE.

Women FPM Scholars may be allowed maternity leave/child care leave, only once in the entire duration of FPM, for a maximum of up to 240 days. However, this leave period will not impact the maximum duration of FPM program.

In case a FPM scholar is not able to successfully complete the FPM within the maximum duration, his/her registration will expire and his/ her FPM program will automatically stand terminated.

CREDIT REQUIREMENTS

360 HOURS | 36 CREDITS

- The research scholar is expected to complete 360 hours of course work of 36 credits. The 36 credits are divided in to 12 courses of 3 credits each. The scholar will undertake 18 credits compulsory courses (which will be common across all specializations), and rest of 18 credits will be from the opted specialization area of research.
- The objective of the course work is to provide essential exposure to various areas of management. This basic input is followed by a series of FPM level courses to enable the scholar to take up doctoral level independent research.
- The minimum number of course credits required to be earned as prescribed below:

YEAR/TRIMESTER	COURSE	CREDIT
FIRST TRIMESTER (12 CREDITS) 4 MONTHS	Research Methodology	3
	Managerial Statistics	3
	General Management	3
	Systems Approach to Management	3
SECOND TRIMESTER (12 CREDITS) 4 MONTHS	Stream Specific Course 1	3
	Stream Specific Course 2	3
	Stream Specific Course 3	3
	General Seminar	3
THIRD TRIMESTER (12 CREDITS) 4 MONTHS	Expert Seminar 1	3
	Expert Seminar 2	3
	Academic Writing and Ethical Issues in Research	3
	Advanced Research Methodology	3
TOTAL CREDITS IN 1 YEARS		36
RESEARCH PROPOSAL STAGE	Research Proposal (4 Months – 9 Months, after completion of Coursework)	
RESEARCH PHASE	Compulsory 24 Months of Research Phase post acceptance of Research Proposal	
THESIS EVALUATION & VIVA-VOCE (DEFENCE)	3 Months – 4 Months after submission of Research thesis	

IN ADDITION TO THE COURSE WORK THE SCHOLARS SHALL UNDERGO TRAINING IN THE FOLLOWING AREAS

Academic and Scholarly Writing

Pedagogy Course in Management Teaching

Course on Case Writing

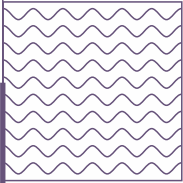

A minimum of 'B+ Grade' in every registered course is an essential requirement for continuation in the programme. Attendance requirement during the course work is mandatory. It is essential for all scholars to comply with the policy of attendance of the institute during the course work.

Scholars must complete all course work requirements within the Trimester in which the courses are offered. All course work is to be completed within 2 years of the FPM programme. For any reason, whatsoever, if a scholar is unable to complete the course work requirements within 2

years, an extension of one additional year may be granted as a special case. Failure to complete course work in the maximum allotted time of 3 years will lead to automatic cancellation of the FPM registration.

During the coursework, the scholar will participate in continuous assessments, including quizzes, presentations, and end-term examinations in every trimester. The assessments will evaluate the level of knowledge acquired in the field of specialization and the ability to integrate learnings.

RESEARCH SUPERVISOR

Upon completion of course work, scholars will be allocated Research Supervisor/Co-Supervisor amongst the faculty from the institute. In very special cases, scholars may be allocated an external co-supervisor. The decision to allocate external co-supervisor will be taken by the institute Research Advisory Committee (RAC).

RESEARCH PROPOSAL FORMULATION

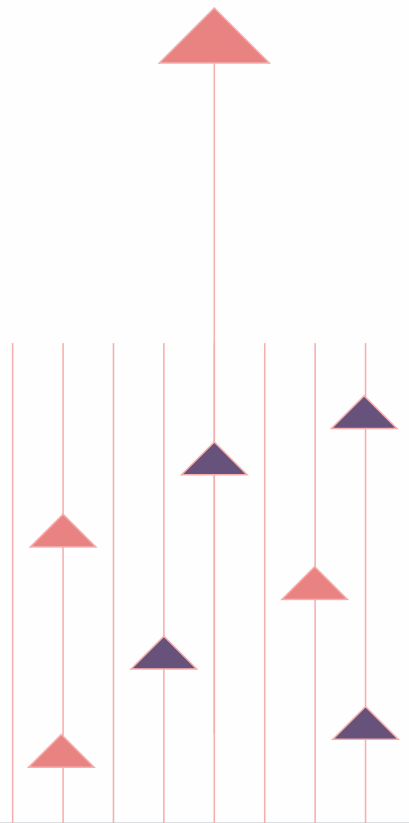

The scholar under the mentorship of the Supervisor/Co-Supervisor will develop the research proposal for the identified research topic and present the proposal for approval to the RAC. The proposal presentation is to be completed within 9 months from the completion of course work.

Proposal acceptance by RAC is an important milestone. Research topic and the proposals once accorded approval by the RAC will be deemed final for continuance of the research work.

RESEARCH WORK

On approval of the research proposal, the scholar will work closely with the Supervisor/Co-Supervisor on the research topic. An appraisal of the progress of each scholar will be carried out by RAC periodically. Each scholar will give a research seminar every 4 months during their research work. The purpose of these appraisals shall be to provide guidance for enhancing the quality of research and an independent feedback on the progress of the research work.

During the course of research work, the scholar has to ensure the minimum publication requirement for thesis submission. All scholars have to publish at least two (2) publications in ABDC/FT50, SSCI, SCI, SCOPUS and WoS indexed journals. The publication has to be related to the research work and the same has to be certified by the research Supervisor.

PRE-SUBMISSION DEFENCE

When the research is nearing completion and the scholar meets the publication criteria, the research work will be presented in an open seminar by the scholar to a Pre-Submission Defence Committee, which will be set up by the Chairperson (Fellow Programme)/Dean (Research), to defend their work. The Supervisor/Co-Supervisor will be members of the defence committee. The seminar will be open to all faculty members and other research scholars.

THESIS SUBMISSION

The Thesis should be a scholarly contribution to the knowledge pertinent to the understanding and resolution of management and social issues. The scholar will demonstrate professional competence in developing a model or a set of hypotheses, collecting and interpreting data, reaching conclusions, and drawing the implications for research and managerial practice.

The Thesis will be submitted in the specified format supported with a plagiarism check report. The scholar and the Supervisor will ensure no more than 10% Similarity Index.

Scholars will ensure high academic integrity and standards.

THESIS EVALUATION & VIVA-VOCE

After the submission of thesis meeting all required criteria, the Supervisor will submit a list of 5 national and 5 international academicians of repute from the chosen field who are considered experts in their respective areas. The examiners will have to be Associate Professors (or equivalent) or above in institutions of repute. The list of External Examiners provided by the Supervisor will be forwarded by Dean (Research) to the Director. The Director will choose two (2) External Examiners either from the list provided or any other eminent person of their choice. The Supervisor will be the third Examiner of the Thesis.

Upon receipt of the evaluation report from the External Examiners, the scholar will defend his/her work in an open Viva-voce Examination in the presence of one of the External Examiner.

AWARD OF FPM

Successful defence of the Thesis in the viva-voce and the upon recommendation of the Academic Council the scholar will qualify for the award of the “Fellow of Jaipuria Institute of Management”.

Note: The FPM programme is governed by rules & regulations as formulated by AICTE. These rules & regulations are subject to change from time-to-time. For other rules and regulations regarding the FPM programme, scholars are advised to refer to the Research Policy guidelines available with the FPM Office.
