

Jaipuria Institute of Management

(Career Management Centre)

Placement Policy

A. Objective

The Placement Policy of Jaipuria Institute of Management seeks to provide a fair and reasonable opportunity to all its students to be suitably placed according to their preferred functional area and eligibility which includes but not limited to Aptitude, Scores, Attendance, Caliber and Competence.

B. Rationale & Coverage

1. The Placement Process at Jaipuria is based on the principles of Equity, Fair play, Transparency & Objectivity.
2. It would involve online, on-campus as well as off-campus routes.
3. This Policy would cover all students of PGDM (*All Courses*).
4. Placements would be a student driven exercise. The role and responsibility of the placement cell is to facilitate the process of placement.
5. While an attempt will be made by the institute to check & confirm antecedents of the company, the students are also advised and expected to exercise their judgment and conduct due diligence before applying for any placement process of a company.
6. Final Placement Timeline:
October 2024 to March 2025

C. Ground Rule

To avail campus placement assistance, students would have to first register themselves with the placement Department and accept the terms of undermentioned Placement Policy.

1. **Career Management Centre (CMC) will assist to get only one offer to every eligible and interested student. The only exception will be provided in such cases where a student avails his / her dream option as per dream company criteria mentioned in Section D.**
2. While registering with placement cell, each student would be required to give two choices of his/her preferred functional area from Finance/HR/Marketing/Operations /Retail/ IT/ Business Analytics etc. However, Students should attempt to appear in maximum companies to optimize their selection chances
3. **A student, who has appeared for 15 attempts but has not been able to get placed, will be put on placement probation:**
 - a. **Such student's placement team mentor will sit with him/her to chalk out his/her placement plan and decide on which next 5 companies the student will apply for**
4. **If the student is still not placed, then he/she will have to appear before VP, Placements and Corporate Relation, who can grant 5 more final attempts after consultation with his/her mentor and placement chair. After these attempts the student becomes ineligible for on-campus placements**
5. Only those registered students would be considered for placement assistance who fulfill all the requirements of the company/placement department/academic score/basic soft skill / attendance in training classes etc.

6. Students are shortlisted for placement processes by the recruiting organisations. However, in some rare cases where recruiters request the institute to shortlist students on their behalf, shortlisting will be done on the basis of merit, i.e. on the basis of mock recruitment process / CGPA scores & other attributes (IDP Score & Assessment Score, Communication and Presentation Score and Mentors Feedback, etc.)
7. The placement exercise for a student would be considered to have been over and complete once his/her name is conveyed in the list of selected candidates, by a company through email, in writing or offer letter. Student would not be eligible for participating in new or ongoing process after this point except in Dream Company within rules given in point D. However, in cases where multiple processes have been completed and the results declared subsequently, and the student gets selected in more than one company, the student would have the right to choose a company of his/her choice & convey the same to the placement department within 48 hours of receipt of the second offer.
8. Students applying for any company's process are advised to adhere to the given deadlines. His/her application may not be considered after the deadline.
9. **Students travel policy for campus processes at other campuses:** Will be shared at a later date.
10. Those students, who do not apply at least in 20% campus processes, where they are eligible, by November 2024, would be assumed to be not interested in the placement process through campus & no further assistance would be given to them.

D. Dream Company

Considering our student centric approach, we will continue with our concept of Dream Company.

E. Deferred Placement

We as an institute encourage entrepreneurial minds to grow in our students. The CMC stands firm with students who aspire to take up their own ventures and add value to the economy and the society at large. We support such entrepreneurs by way of providing Placement Holidays for two years to start their own startups and opt out of the current campus placement season. In case their venture doesn't work, they are free to come back and join the campus placement process along with the batch of 2026 – 28. Such students will have to express their desire in writing to the CMC heads latest by **31st December 2024**, and accordingly they will be taken out of the current year's placement process.
