RAJASTHAN DEVELOPMENT DIALOGUE 2.0

VIKSIT RAJASTHAN: MARCHING TOWARDS 350 BILLION DOLLAR ECONOMY

29 November 2024, Friday

Themes

- **Agriculture and Food Processing:** "Viksit Rajasthan: Transforming Agriculture and Food Processing for a Sustainable Future"
- **Technology and AI:** "Viksit Rajasthan: Transforming Tomorrows with Technology and AI."
- **Student Voice:** "Viksit Rajasthan: Amplifying the Power of Student Voices for a Brighter Future"
- **Sustainability and Circular Economy:** "Viksit Rajasthan: Building a Greener Tomorrow through Sustainable Practices."
- **Wellness and Healthcare:** "Viksit Rajasthan: Pioneering Wellness and Healthcare for a better tomorrow"
- **Young Leaders:** "Viksit Rajasthan: Shaping the Future with Empowered Young Leaders"
- **Tourism:** "Viksit Rajasthan: Elevating Tourism sector to New Horizons"
- **Investment and Business Opportunities:** "Viksit Rajasthan: Unlocking Investment and Business Opportunities for a Thriving Future"
- **Fintech:** "Viksit Rajasthan: Pioneering the Future of Fintech Innovation"

Highlights

- **Visionary Insights:** Eminent speakers will share visionary insights into Rajasthan's economic landscape, highlighting how the state is progressing toward contributing significantly to Rajasthan's goal of a ₹350 billion economy.
- **Innovative Solutions:** In achieving a ₹350 billion economy, innovative solutions are critical to overcoming Rajasthan's unique challenges, such as water scarcity and harsh climatic conditions. The session will explore technologies like AI-driven agriculture, water conservation systems, and solar power advancements etc
- **Cultural Heritage and Tourism:** Preserving Rajasthan's cultural heritage while expanding its tourism potential will be vital to bolstering the state's economy. Discussions will revolve around leveraging digital platforms, sustainable tourism practices, and innovative business models that enhance visitor experiences, thus contributing to the goal of boosting Rajasthan's GDP and advancing the target of ₹350 billion economic vision.
- **Entrepreneurship and Skill Development:** This theme will explore the role of Rajasthan's youth in driving innovation and creating startups that align with the state's strengths. Through strategic skill development programs, Rajasthan can nurture a workforce ready to contribute to sectors that will be pivotal in achieving the ₹350 billion economy.
- **Environmental Sustainability:** Achieving a sustainable ₹350 billion economy requires addressing environmental sustainability, especially in Rajasthan's arid landscape. The session will focus on eco-friendly practices, renewable energy projects (particularly solar energy), environmental protection, ensuring that Rajasthan leads in sustainable development.
- **Empowering Rural Communities:** For Rajasthan to play a substantial role in a ₹350 billion economy, empowering rural communities will be essential. This theme will explore strategies to provide rural populations with access to education, healthcare, and basic amenities.

ABOUT PHDCCI

PHD Chamber of Commerce and Industry (PHDCCI) has been working as a catalyst for the promotion of Indian industry, trade and entrepreneurship for the past 118 years. It is a forward looking, proactive and dynamic PAN-India apex organization. As a partner in progress with industry and government, PHDCCI works at the grass roots level with strong national and international linkages for propelling progress, harmony and integrated development of the Indian economy.

PHDCCI, acting as the “Voice of Industry & Trade” reaching out to more than 1,50,000 large, medium and small industries, has forged ahead leveraging its legacy with the industry knowledge across multiple sectors to take Indian Economy to the next level. At the global level, we have been working with the Embassies and High Commissions in India and overseas to bring in the International Best Practices and Business Opportunities. The Rajasthan State Chapter of PHDCCI is also actively working with industries in Rajasthan and also with different State Government departments for achieving its objectives. The chapter serves its members by taking up various policy related issues and other matters at appropriate levels for their early gainful resolution with a view to ensure development and growth of the industry.

ABOUT JAIPURIA INSTITUTE OF MANAGEMENT, JAIPUR

Jaipuria Institute of Management, Jaipur is a part of Jaipuria group of institutions established under the Integral Education Society. The Jaipuria group has a long heritage of providing educational excellence to the youth of India since the establishment of Seth Anandram Jaipuria College in Calcutta (now Kolkata) in 1945. The first management institute of Jaipuria was established in 1995 in Lucknow, followed by Noida (2004), Jaipur (2006) and Indore (2010). The PGDM Program offered at Jaipuria Institute of Management, Jaipur is approved by AICTE (All India Council of Technical Education), accredited by NBA (National Board of Accreditation) and recognized by AIU (Association of Indian Universities) as equivalent to MBA degree. The institute also runs AICTE approved PGDM-Service Management Program and doctoral level Fellow Program in Management (FPM). The institute is ranked 75th by NIRF 2024, Govt. of India, and it has been listed under Great Place to Work by Great Place to Work Institute. The infrastructure, ambience, learning ecosystem available at Jaipuria-Jaipur altogether provides excellent, conducive, and serene milieu for students to grow and realize their potential. There are four pillars of student centric learning model at Jaipuria Institute of Management, Jaipur.

1. Deeper Industry interface through sharing of learning and MoUs, Mentoring and Internship.
2. Blending of formal & informal learning and strong Individual Development Plans IDPs.
3. Leveraging technology to provide 24*7 learning environment, and
4. Emphasis on holistic development through strong social connect and global exposure.

Jaipuria Institute of Management, Jaipur takes concerted efforts towards enhancing deep learning resulting into significant learning experiences and meaningful student engagement leading to several positive outcomes in terms of improved employability and improved placements.
