Industry Reach: Wider & Deeper

Placements across top sectors and roles

The 2026 interim placement season witnessed strong representation across Financial Services, Banking, Consulting, Manufacturing, IT/ITES, FMCG, and Retail. Roles spanned finance, marketing, operations, analytics, and HR, reflecting the depth and diversity Jaipuria's curriculum is designed to deliver.

The milestone that matters

The 2026 season belonged to both, equally, completely, without exception. 48 students entered the season with pre-placement offers already in hand.

Jaipuria not only equipped me with strong theoretical foundations but also gave me the platform to apply them in high-stakes environments. The mentorship and industry exposure were instrumental in securing a role with one of the world's leading investment management firms.
