Opportunities Unleashed Across Sectors

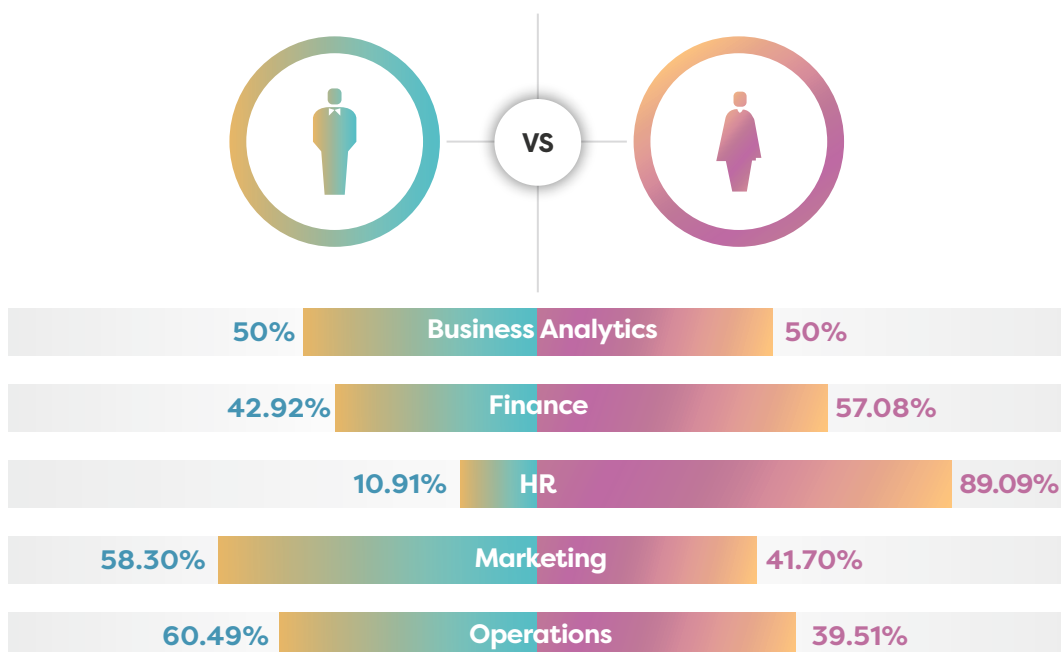

This diversity is a reflection of the **limitless potential** of Jaipuria's pedagogy and student talent.

Inclusive Growth - Limitless Path

The placement highlights a commendable gender diversity across various specializations. This balanced representation underscores the institute's commitment to fostering an inclusive environment where both female and male students can thrive and excel.

The placement reveals a near-equal distribution in Business Analytics and a significant presence of female graduates in Finance and HR. In Marketing and Operations, male graduates slightly outnumber their female counterparts, reflecting varied interests and strengths across genders.

Shaping Potential into Performance

At Jaipuria, Summer Internships are more than a curriculum requirement—they are the first leap into the corporate world, where students translate learning into real impact.

Industry Engagement: Creating Learning Beyond the Classroom

How Industry Engages With Jaipuria

Curriculum Co-creation	Corporate Alliances	Executive Masterclasses	Live Business Projects
Round Table Conferences	Mentoring	Research Collaboration	Academic Advisory Council

Our Corporate Alliances are designed to bridge the gap between management education and evolving business expectations. Through strategic collaborations with leading organisations, students gain exposure to industry practices, emerging technologies, domain-specific certifications and real-world business applications while still on campus.

These partnerships enable students to learn directly from practitioners, work with contemporary business tools and understand organisational processes long before they enter the workforce. The result is a talent pool that is better prepared, faster to onboard and aligned with the needs of modern enterprises.

Today, Jaipuria collaborates with organisations across technology, consulting, financial services and healthcare to deliver specialised learning pathways that enhance both employability and workplace readiness.

Featured Corporate Alliances & MOUs

Enterprise Cloud Financials Certification

Students receive hands-on exposure to Oracle Fusion Cloud Financials, enterprise configuration, financial reporting and ERP implementation concepts, preparing them for technology-enabled finance and consulting roles.

Financial Crime Risk Management Academy

A structured learning programme covering AML, KYC, fraud prevention, compliance, transaction monitoring and AI-enabled risk management, enabling students to build capabilities relevant to global financial operations.

Private Credit & Structured Finance Masterclass

An intensive industry-led programme introducing students to private credit markets, structured finance, risk assessment and lending frameworks while creating direct engagement opportunities with the organisation.

Joint Certification Programme

Industry experts provide practical exposure to health insurance, underwriting, claims management, analytics and customer-centric operations, helping students understand one of India's fastest-growing sectors.

Where Industry Shapes Tomorrow's Talent

Recruitment is only one part of our relationship with industry. Through our flagship Industry Leadership Round Table Conferences (RTCs), business leaders actively contribute to shaping the thinking, skills & future readiness of Jaipuria students.
